

FRAUD

ARE YOU SAVVY?

Don't sign a contract without an expert opinion.

Be suspicious when someone asks you for money before the work is started.

A good company will be registered with the Better Business Bureau. Do your research.

Use a complex password with a combination of letters, numbers and symbols.

Install anti-virus, firewall and update security software packages.

Never give personal information by phone, unless you initiate the contact.

Don't try, don't buy and don't reply to spam or banking requests.

Confirm the identity and legitimacy of the story for the distressed family member; before completing any transaction.

Warn your family members to be wary of any caller that wants them to divulge confidential personal or financial information, especially those that want them to send money.

Carry only the ID you need.

Put other ID documents in a safe place. (SIN, passport, birth certificate)

Shred unneeded documents with personal information. (bank statements, bills)
